How to complete the Medical Expense Report (VA form 21p-8416)

When itemizing health and medical expenses, you must have an entry in each box of the column. If this is a NEW Claim, you are giving a "snapshot" of ONE month's recurring, predictable, un-reimbursed health and medical expenses. Do not send the VA receipts. If needed, they will ask for them.

Un-reimbursed Medical Expenses(UME) used INITIALLY to qualify:

- (1.) *Medicare Part B and D Premiums* - For claimant, or, if married, for both claimant and spouse
- (2.) *Private Medical Insurance Premiums* - For claimant, or, if married, for both claimant and spouse
- (3.) *Any other health or medical premiums*, such as Dental, Long Term Care, etc.
- (4.) *Caregiver Services* - costs for in-home care or a care facility, such as assisted living, group home, and adult day care. PLEASE NOTE: if the care facility is an Independent Living Community, there must be paid caregiver services provided and the Doctor's form 21-2680 MUST STATE the Patient needs to live in (Name of Facility) and receive caregiver services. Please give to the Doctor the letter in our packet explaining this requirement. A family member, other than spouse, can be a caregiver. They do not have to be a licensed medical professional, but they do have to be paid. The rate of payment is based upon the normal rates for in-home care in the area. The family member can use the caregiver money to pay the non-medical bills for the claimant, if necessary, such as rent, utilities, phone, food, etc.
All medical expenses need to be paid from the claimant's account.
- (5.) *Equipment rental cost*, such as oxygen, insulin, wheelchairs, hospital beds, etc.
- (6.) *Last Illness and Burial Expenses* for the Veteran or Spouse. You need to show the exact dates paid, as these would not be recurring expenses.
- (7.) *Prescription Drug Co-Pays* - most prescriptions are considered to be Non-Recurring and will not be considered as an allowable deduction initially. However, if your monthly drugs are necessary, recurring, and expensive, your doctor can provide a statement indicating the prescriptions are necessary and recurring. You can provide the VA with a print-out from your pharmacy for the past year along with your doctor's statement that they are necessary and recurring.

Example: 21p-8416 (Itemization of Expenses)

A. Medical Exp.	B. Amount Paid	C. Date Paid	D. Provider Name	For Whom Paid
Medicare Part B	107.90	Monthly	Social Security	Self
Medicare Part D	22.90	Monthly	Silver Script	Self
Private Med Insur	86.00	Monthly	United Health	Self
Assisted Living	3500	Monthly	The Bridges	Self & Spouse
Medicare Part B	104.90	Monthly	Social Security	Spouse

VA may be able to pay you at a higher rate if you identify expenses VA considers allowable. Medical and dental expenses paid by you may be deductible from the income VA counts when determining your benefit entitlement.

In Items 20 and 21 below, identify any medical or dental expenses that you paid for a member of your household (self, spouse, child, etc.) for which you were not reimbursed. Below are examples of expenses you should include, if applicable:

- Hospital expenses
- Doctor's office fees
- Dental fees
- Prescription/non-prescription drug costs
- Vision care costs
- Medical insurance premiums
- Nursing home costs
- Hearing aid costs
- Home health service expenses
- Expenses related to transportation to a hospital, doctor, or other medical facility
- Monthly Medicare deduction

IMPORTANT NOTES

- Do not include any expenses for which you were reimbursed. If you receive reimbursement after you have filed this claim, promptly notify the VA office handling your claim.
- If you are not sure whether a particular expense can be allowed, furnish a complete description of the purposes of the payment. We will let you know if an expense cannot be allowed.
- You may be asked to verify the amounts you actually paid, so keep all receipts or other documentation of payments for at least 3 years after we make a decision on your medical expense claim. If you are unable to provide documentation of the claimed medical expenses when asked to do so by VA, your benefits may be retroactively reduced or terminated.
- If more space is needed to report expenses, attach a separate sheet of paper with columns corresponding to those on this form. Be sure to write your VA file number on any attachments.
